The Context:	<table border="0" style="width: 100%;"> <tr> <td style="width: 20%; text-align: center; vertical-align: top;">Practice 1</td> <td> Over the years, some ragging cases were reported in newspapers which were very frightening. Our college is co-education run institution so in order to provide safety, security, it was thought necessary to create a fearless atmosphere so that all students can feel free. The college constitutes an anti-ragging committee to check ragging in any form. Discipline is the watch word of the college. The college takes pride in announcing that ragging is completely restricted. To make new entrants fearless and feel free, the college works on the policy of zero tolerance. There is no case of ragging, harassment of girls and other evils of disparity among students so far. </td> </tr> <tr> <td style="text-align: center; vertical-align: top;">Practice 2</td> <td> Swachha Bharat Mission or Clean India Mission is a country wide campaign initiated by the government of India. It was imperative upon the college to keep pace with this mission, the college is attempting to transform the college campus into an eco-friendly zone. To achieve this goal, we arrange plantation programme every year with the help of NSS and NCC units. The college has also installed dustbins at several points so as to avoid spread of waste and garbage. Smoking in any way is strictly prohibited. It has become indispensable with students with teachers and employees to keep the campus clean. In this mission municipal corporation Satna helps a lot by sending their vehicles regularly to collect waste and garbage from the college. </td> </tr> </table>	Practice 1	Over the years, some ragging cases were reported in newspapers which were very frightening.
